Written By: Tom

## PARTS:

- [Rubber bands \(1\)](#)
- [Fork \(1\)](#)
- [Spring clothespin \(1\)](#)

## SUMMARY

This improved rubber band gun can be used for more dangerous missions!

## Step 1 — Rubber Band Gun V2

- Lay your parts out.

## Step 2

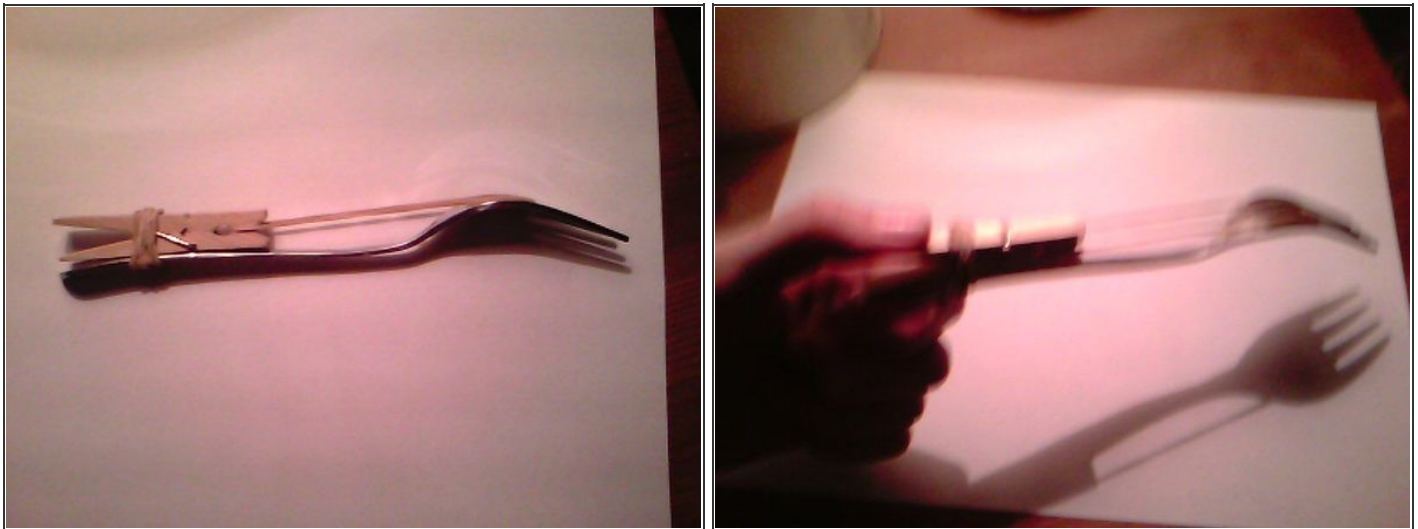

- Place clothespin on fork then put elastic bands around them to hold them together.

### Step 3

- It should look like this.
- Now, to load it, put an elastic band through the prongs then to the jaw of the clothespin as pictured.

### Step 4

- Have fun with your very own improved rubber band gun!

Have fun!
